19th Century Carved And Silvered Cloud-shaped Wood Pedestal

850 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

This beautiful 19th century pedestal, intricately carved in the shape of a cloud and covered in a layer of silver leaf, provides an elegant and timeless stand for displaying sculptures or artwork. Crafted from wood, the pedestal is both sturdy and ornate, showcasing exceptional craftsmanship from the 1800s. The cloud motif adds a sense of fluidity and movement, making this piece not only a functional stand but also a decorative accent in its own right. The silver finish has aged gracefully, providing a beautiful patina that enhances its vintage charm. Dimensions: Overall: 50cm (height) x 36cm (width) x 34cm (depth) Support Area: 25cm (length) x 19cm (width) Key Features: 19th Century Craftsmanship: Carved wood in the shape of a cloud, finished with silver leaf for a
