

Pair Of Large Polychromic Stoneware Vases

650 EUR

Period : 19th century

Condition : Bon état

Material : Sandstone

Description

A superb pair of covered vases made in Germany in the style of Karl and Adolf Diesinger. Each piece features rich relief decoration, depicting historical or mythological figures, surrounded by finely detailed floral and ornamental motifs. The lids, decorated with figures carved in the round, add a touch of elegance and sophistication. These vases, of imposing proportions, demonstrate exceptional craftsmanship, combining refinement and vibrant colors. They are perfect decorative pieces for a classic interior or a prestigious collection.
