

Geometric Burgundy Cabinet Walnut

6 000 EUR

Period : 17th century

Condition : Très bon état

Material : Walnut

Width : 183

Height : 238

Depth : 72

Description

Gigantic wardrobe / closet / bookcase. Original from Burgundy in France. Incredible the modernity of the geometric design of the doors for a piece of furniture dating from around 1700. The wardrobe is made of walnut and is in very good condition! The wardrobe can be dismantled, which makes it easy to integrate into many interiors.
