Description

This candy dish is egg-shaped, it is a stoneware signed perhaps Bode Willumsen. I seem to see the initials HH W 95, but without certainty, because the signature is difficult to identify. Certainly a hand behind this work of ceramicist. Bode Willumsen (1895-1987) is an artist born in Denmark in 1895 and died in 1987. The artist collaborated with Hans Hansen but also with other artists. This candy dish is of beautiful craftsmanship, the colors are pleasant. The grip is finely executed. For the condition, note two chips on the base under the terrace. Our many photos allow you to appreciate the quality of the object, thank you for detailing the photos. Do not hesitate to zoom. The photos are an integral part of the description. Dimensions: Height: 16 cm Width: 14 cm Thickness: 12.5 cm Lid Height: 6.5 cm
