Description

Superb original silver-plated bronze chandelier. Louis XV style cage-shaped chandelier. Trimmed with faceted crystal tassels, daggers, and a cut crystal ball most certainly from the Baccarat house. This chandelier has 3 interior lights, redone electricity, small 25 W bayonet bulbs, i.e. additional lighting. The 6 exterior light arms have been left with candles for a grand century or romantic feel. They can be electrified because the sockets are drilled for the passage of the electric cable. Very high quality chandelier. Early 20th century period. Delivery 200 euros in France by carrier, 500 euros in the EU and 1000 euros rest of the world.
