1 050 EUR

Period : 18th century

Condition : Bon état

Material : Gouache

Description

In an impeccable frame, from the 19th century, here is a large gouache probably made at the end of the 18th century representing the adoration of the shepherds during the Nativity of Christ, an illegible signature, good quality for the characters, a little less for the animals (probably a second hand?) with frame 49.3 by 41.2cm
