Period : Before 16th century

Condition : Très bon état

Material : Marble

### Description

Marble Buddha Head

China, Sui Dynasty, 6th-7th century

Marble

H. 8.6 cm

Concretions

Provenance:

Private collection, Paris

The Buddha's features were rendered with an exceptionally skilled chisel. The design is fine and precise.

A delicate polish was applied to perfect the surface of the object, imparting a softness that is entirely fitting to express the serenity of this face. A superb burial patina adds undeniable
