Description

Aldo Tura Italy 1950's: luxurious thermos in parchment and gilded brass with the effigy of Bonaparte Aldo Tura is one of the most talented designers of Mid-Century Italy. During the post-war years, many furniture manufacturers turned to mass production. Aldo Tura remained committed to a traditional and slow craft. He favored complex processes that could not be reproduced by a mass production system. This is why the number of Aldo Tura designs available on the vintage market is limited. h38 x 10
