1 600 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 120

Height : 82

Depth : 79

Description

Beautiful center table in carved walnut, Louis 13 style, 19th century. Probably of Italian origin. Deep and nervous sculpture on the feet, with rams' heads at the top and double sabot at the bottom. Field of the top carved with a frieze of ova. The crosspieces are decorated in their center with a mascarón. Total height: 82 cm, under the crosspiece 67.5 cm. Beautiful original waxed patina.
