16th Century Aragonese Chest In Walnut And Bone Marquetry

7 500 EUR

Period : 16th century

Condition : Bon état

Material : Solid wood

Description

This exceptional 16th century chest is a masterful example of Aragonese craftsmanship, combining rich walnut wood with intricate geometric bone marquetry inspired by Islamic artistic traditions. The flat-top design conceals a meticulously crafted interior featuring a small drawer and an additional rear compartment, offering both functionality and historical charm. The chest's exquisite marquetry features geometric patterns characteristic of Mudéjar influence, reflecting the fusion of Christian and Muslim artistic styles prevalent in 16th century Spain. Its elegant proportions and detailed craftsmanship make it an important piece for collectors of antique furniture or those seeking a unique piece for their space. Dimensions: Length: 133 cm Width: 50 cm Height: 43 cm Key Features: 16th century
