Description

We love the sturdy, industrial design of this old stand. It is art by man and nature. The areas of coloured paint suggest signs of use by an artist of craftsman, and certainly add to the charming aged look of the piece. It would look great as part of a rustic design scheme, in a studio or as a side table.Please request a packing, insurance and shipping quote before purchase.For all other destinations email: hi@moderndecorative.comFor item purchase and better viewing.
