

## Antique Coral Gold Earrings

1 900 EUR

Period : 19th century

Condition : Parfait état

Material : Coral

### Description

A pair of antique coral gold earrings with the famous "frutti e foglie" (fruits and leaves) in red mediterranean corals. Very carefully hand-carved they well resemble a natural branch full of small details (leaves, different fruits, and lovely coral decorations). Please have a look to the incredible details. A traditional Neapolitan work for the Grand Tour tourists visiting Italy. Second half of the 19th century from Naples. 14K Gold (touchstone tested). They are in perfect condition.

For the Grand Tour :
