A mahogany bergère with a "gondola" back from the Restoration period, upholstered with hand-made tapestry and very fresh colors.

Dating from the first half of the 19th century, around 1830, it is very comfortable and has undergone very normal restorations for a seat that is two centuries old. Note that two bronze brackets consolidate the right rear leg, allowing it to be used regularly without any problem. (see photo) Seat height: 42cm. We provide packaging and delivery of this bergère in mainland France for EUR70.
