Two Hundred Drawings By Modern Masters.

130 EUR

Period : 19th century

Condition : Très bon état

Material : Paper

Width : 22 cm

Height : 30.5 cm

Depth : 3.5 cm

Description

Interesting catalogue published at the turn of the century, reproducing in engraving, according to the custom of the time in luxury publications, two hundred drawings by fashionable masters. It is clear that the judgment of the time was quite different from that which is imposed on us by the current cultural vulgate. Pleasant half-binding in vellum in very good condition, soberly struck in gold with the title.
