Description

Charming little 19th century bronze of a Cupid half perched on an antique green marble column. Pretty brown patina with old traces of gilding; very nice display or collector's item. No signature, an "H" at the tip on the back of the column... Very good condition, a small chip on a rear corner at the bottom of the marble column, and much prettier in real life than in my photos! (mea culpa!)... A beautiful object to offer to a person you love!.. Height 16.5 cm; width 9 cm; depth 5.5 cm Weight 615 gr.
