Description

Andy Warhol Dollar "$" Vintage Scandinavian Pop Art Rug

Beautiful and extremely artistic Vintage Scandinavian Art rug after Andy Warhol. It features the iconic "$" dollar sign design "Pop Art" by the world famous artist.

The US dollar symbols almost seem to be intended to be 3-dimensional renderings. This is particularly evident in the slightly overlapping sign symbols giving a sense of depth. The squares are particularly evident in this three-dimensional rendering superimposed like a cartoon.

Dimensions: 87x80 cm
Condition: Used condition of the wool but
