Description

Beautiful antique brooch depicting a bouquet of flowers and leaves tied with a ribbon, entirely set with cushion-shaped rhinestones on a tested, unhallmarked silver setting.

Perfectly functional C-shaped clasp brooch system, white metal pin.

Small removable silicone element at the tip of the pin so as not to prick yourself if worn on a necklace.

Beautiful antique patina, no missing original stones, very sparkling, set with no spangles.

Excellent condition! Probably French origin, Napoleon III period around 1860.
