Description

Portrait of a man oil on canvas by Bénito Belli, 19th century. A very expressive painting by this famous portrait painter active in the 19th century and known for his subjects inspired by the 17th century and his gentlemen with typical and jovial faces. Here is a pretty piece signed at the top left and still with its beautiful original gilded wooden frame. Note the hairstyle of the subject, a man with a bicorn, used several times by the artist with here a particularly lively and truculent treatment. Beautiful collector's item in the artist's work as well as a decorative painting. Possibility of sending to France and around the world by secure and insured package with order tracking. Invoice and certificate provided. Dimensions of the painting 19.5 by 27 cm.
