Description

Old watch chain made up of rectangular links openworked with geometric decoration and separated from each other by a gold ring.
The clasp is an old carabiner.

Period: 20th century

Main material: yellow gold, 750 thousandths, 18 carats, eagle's head hallmark.

Proportions: Width: approximately 3.1 mm, length: approximately 38 cm.

Authentic antique jewelry - French work from the beginning of the 20th century.

Our opinion: Repurposed as an antique necklace, this gold chain is worn close to the neck due to its short length.
