

Stone Head - Bodhisattva - Ancient Indian Art - Archaeology

400 EUR

Period : Before 16th century

Condition : Bon état

Material : Stone

Width : 3.5

Height : 6.5

Description

Head of Buddha or Bodhisattva in sandstone. The character wears a large, richly decorated headdress. The face is marked by large eyebrows, almond-shaped eyes and a mouth with a moustache (missing in this area). He wears large earrings. Antique Indian work, probably from the Mathura region on the borders of Rajasthan.

1st-3rd century Kusana dynasty 6.5cm high

3.5cm wide 10cm high with the base Base on a

plexiglass (work from the 70s) Old Tarn

collection (of which I have put up for sale a good number of antique heads and ex-votos)
