Description

Large pair of wall lights in gilded and silver-plated brass, reed model, 50s and 60s. Very nice pair of large lights, height 50 cm, composed of three lights for each and several rods animated with silver parts and a base composed of a gilded brass basin. Very good general condition and electrical operation. Quality work entirely in the spirit of the Charles and Baguès houses. In summary, a beautiful pair which will give by its presence a very pleasant ambient light. Possibility of sending in France and around the world by secure and insured package with order tracking. Invoice and certificate provided.
