

Saint Clement, Pair Of "artichoke" Vases In Earthenware

380 EUR

Signature : Saint Clément

Period : 20th century

Condition : Bon état

Material : Earthenware

Description

Magnificent pair of crackled earthenware vases, "Artichaut" model, made by the famous Saint-Clément factory. These iconic pieces of the Art Deco style are distinguished by their organic shapes inspired by nature, with geometric patterns evoking artichoke leaves. Their crackled finish adds a touch of vintage charm and timeless elegance. These vases are perfect for a refined decoration or to complete a collection of art objects from the Art Deco period.
