1 000 EUR

Period : 20th century

Condition : Très bon état

Material : Lead

Description

Beautiful set of figurines and sketches made by Pierre ALEXANDRE in the 1930s - 1960s. This figurine maker specialized in the creation of 17th century figurines of the small trades of the Pont Neuf, but also worked for Empire enthusiasts such as Sacha Guitry or Noël-Noël. His production in lead and painted sheet metal has always remained artisanal, which explains its rarity.
