

Pair Of Rocaille Wall Lights, Late 18th Or Early 19th Century

1 700 EUR

Period : 18th century

Condition : Très bon état

Material : Bronze

Width : 26,5

Height : 43

Depth : 11,5

Description

Very beautiful pair of wall lights with two arms of light, in chiseled and gilded bronze, representing two animated branches decorated with foliage, escaping from an interlacing of foliage and supporting, for one, a rockery containing a socket decorated with cabochons, for the other, a corolla of foliage containing a socket also foliated.

End of the 18th or beginning of the 19th century.

Very good condition.
