

Gold "horse" Keyring

3 800 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Length : 3.73 cm

Height : 2.86 cm

Description

18 carat gold key ring representing a horse.

The head, legs and tail are articulated.

The key ring closes via a system which consists of sliding the large link in the middle of the chain through the slot of the hook which allows the rest of the chain to pass and block it using the ball.

Very good condition.

French work from the 20th century made by the jeweler Gaétan de Percin, renowned for his work with the most prestigious French jewelers and for his clasp systems.

He is notably the inventor of the model of the anchor chain bracelet for the house of Hermès in 1938.
