Additional Facts

Designed specifically for a commissioned public interior project in 1996

Represents Newson's work from the mid-1990s in custom commercial environments. The "Komed" chair was designed by Marc Newson in 1996 for the interior of the Osman Bar located in the Komed House (KOMED) in Cologne's Mediapark. Produced by Colber in Italy, the model was manufactured in the late 1990s following the completion of the commissioned project. The chair features a lacquered tubular steel frame combined with orange wool fabric upholstery. Each chair measures 88 cm in height with a seat area of 47 × 51 cm. The set consists of four chairs, all in very good condition with full colour retention.
