Description

Platinum Cluster Ring set with a Ruby, Old Cut Diamonds and Calibrated Rubies, circa 1920
Sublime and imposing Art-Deco ring set in its center with a ruby weighing about 1.50 carat. This ruby is incredibly crystalline (and therefore brilliant). Its deep red color is of a rare intensity. It is surrounded by old-fashioned diamonds, also of a very beautiful quality (very white and clean). A second setting increases the volume of this ring. It is made of rubies cut to degrees in a closed setting protecting the ring well. Classic model of the 1920's-1930's
