magnificently stylized sublimated by a stylized design and high quality kork wool. The Sarough carpet, or Sarouk, the Ecbatana of Antiquity, is knotted in a few villages near Sarouk in the agricultural region of Arak. European buying houses have had agencies there since the mid-19th century. Most of these carpets are nicknamed hamadan by traders, particularly the runner carpets knotted in this region. These carpets have distinct identities, our model is of the Sarouk type knotted in the small town of this name but marketed in Hamadan. These carpets remain very popular in the United States, whose decorators appreciate the heavy and large luxurious pieces in wool imported from Persia, Iran and India. Indian Saroughs are of immense quality, knotted very tightly with imported New Zealand wool. Dimensions: Width: 300 cm (118") x Length: 388 cm (152") This carpet has been professionally and ecologically cleaned. FREE DELIVERY FOR FRANCE, same for all our rugs, large or small !
