Description

Pair of beautiful half-capitals in Ionic style in finely carved white Carrara marble. These capitals originally crowned two pillars in contrasting marble applique from a classical repertoire; their identical size allows several possibilities of assembly and reuse (back to back, they form an entire capital ...) ... Very decorative pieces, of beautiful quality of marble and execution, in very good condition of presentation. French or Italian work dating from the end of the 19th century. NB / Collection on site in Uzes or possible shipment via Colissimo followed for 50 euros.
