Description

Molded glass hanging lamp, likely dating to the 1930s, featuring an intricate design of floral motifs, predominantly roses and leaves. The glass is pressed or molded to create a textured surface with a decorative pattern, characteristic of the Art Deco or vintage styles of that era. Such pieces were commonly used as ceiling fixtures and are known for their elegant yet functional design, often seen in homes or public spaces of the time.Packing, Shipping and insurance from Barcelona calculated at checkout.UK, EU, USA & Canada: EUR180For all other destinations email: hi@moderndecorative.comFor item purchase and better viewing.
