Description

Beautiful ceramic mask representing a faun, or the god Pan. Attributed to Jaque Sagan, we find the same model, with the same dimensions in the sale result. Here his name does not appear in the signature or stamp, but we find a V (or a Roman 5) engraved inside, perhaps for the number of casts. Dimensions: 24.5 x 18 x 8 cm Two small chips in the hair (very little visible), and chips on the lips, but inside, not visible from the outside. All visible in the photos. Otherwise no cracks or weakness. A few tiny droplets of white paint that go under the nail (someone must have passed a roller nearby..) Fast and careful shipping.
