#### Description

Interesting and rare Roemer goblet in green tinted blown glass with a wide neck and application of pastilles on the body in accordance with the models of the Middle Ages. At the time, people ate fatty foods and with their hands. To avoid the risk of dropping the glasses, the master glassmakers had come up with this ingenious system to make it easier to hold. Signed under the base. Germany. Period late 19th / early 20th century. Medieval, Renaissance style. Please note: this goblet is in very good general condition. Light limescale deposit on the bottom. Please look carefully at the photos. Dimensions: Height: 12 cm Diameter at the rim: 8.8 cm Shipping costs for France (by tracked colissimo) are 15 euros, please contact us for all other destinations.
