

First Half Of The 19th Century Small Work Table In Walnut

1 300 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

Width : 55.5

Height : 69

Depth : 42

Description

Elegant small work table in walnut root, enriched with carvings and fillets in fruit woods. It is characterized by turned and carved legs, decorated with vegetal and geometric motifs that enhance its aesthetics. The table top can be opened and includes a hidden internal compartment with various compartments, as well as a deeper one, ideal for storing materials for wool and knitting. This versatile small table can also be used as a side table. With its refined design, it is capable of enriching any environment with class. French manufacture from the first half of the 19th century (ca. 1840).

Measurements: H x W x D 69 x 55.5 x 42cm
