

Three Mustard Pots In Lunéville Earthenware By Keller And Guérin

100 EUR

Signature : Keller et Guérin

Period : 19th century

Condition : Etat d'usage

Material : Earthenware

Width : 6 cm

Height : 9.5 cm

Description

Always adorable and charming these mustard pots in Lunéville earthenware and created by the famous duo Keller and Guérin featuring characters in everyday situations, often inspired by tales and songs. These are marketing products before their time, that is to say that there were a large number of decorations which necessarily encouraged the purchase and collection. These pots have some chips and hair due to their use but this remains quite acceptable for this kind of item.
