Description

I was lucky enough to find another abstract decoration creation by the Belgian artist and ceramist signed Sanchez. His studio was in Antwerp. Work from the 60s. Very beautiful enamels and decoration in the taste of geometric abstraction of the time. Like many creations from this period, this dish can either be hung on the wall like a painting or used on a buffet table or sideboard. Unique piece signed under the base.

Dimensions: 50 cm long x 15 cm wide x 7 cm high

In very good condition.
