Description

Beautiful glass bowl by the Romanian glass artist couple Carmen and Horia-Constantin Puscariu (01/26/1956-03/31/2023). The base is composed of a foot in red and colorless glass, forming a piedouche supporting a red glass snail that accommodates the bowl itself. The latter is composed of colorless and gold glass in alternating layers. Free-form, it has an asymmetrical oval opening that is unequal in height. It is signed on the top of the base: Horia with a C included in the H. Work from the 1980s.
