Pair Of Opal And Diamond Sleepers

980 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Length : 1,5cm

Description

Pair of sleepers, opals and diamonds, French work. Set with an oval-shaped black opal enhanced by a modern princess-cut diamond of approximately carats. The setting is in 18-carat yellow gold (750 thousandths), lacework setting work, with alpa system closure. Gross weight: Total length: Dimensions of the opals: Very good condition of conservation, we note a lack of natural material at the back of one of the two opals / Free delivery in declared value in France accompanied by its invoice by email.
