Description

French travel clock/table clock circa 1900 in a six-leaf enamelled case made of cast and polished brass with faceted glass

Two gold-coloured dials with: on the right a white enamel dial for the barometer

on the left a white enamel dial with bright blue Arabic numerals

for displaying the time via sapphire blue blued steel hands, with scale for displaying the alarm time.

In the middle there is a thermometer

A compass is installed above the barometer
