Description

Suggestive oil painting on canvas depicting the Madonna with Child and Saint John the Baptist. The painting, of remarkable stylistic quality, exhibits the peculiar characteristics typical of the Bolognese school of painting dating between the end of the 17th century and the early 18th century and, more specifically, finds clear points of contact with the stylistic characteristics of Carlo Cignani's painting. Therefore, we believe we can place it around the circle of painters who frequented his atelier. cm.74x61 without frame cm.86x73 including frame
