### Description

More than a page of writing, a page of History.  
This is always the main promise of an apostolic bull! He is the 255th pope. Elected in 1846, the pontificate of PIUS IX remains with these thirty-one years, the longest in the history of the papacy.

On our lead seal accompanied by its cord, we can guess the haloed busts of Saint Paul and Saint Peter, and on the second side, in a graining also, we can glimpse under a Cross in glory, the inscription in three lines PIVS / PAPA / IX.  
The Dimensions of this page are 42.5 cm by 30.  
Bull in good condition - Seal degraded with multiple chips
