## Antique Pastel Napoleon III France 19th Century.

1 500 EUR

Period : 19th century

Condition : Très bon état

Material : Pastel

### Description

Antique pastel with contemporary frame belonging to the Napoleon III period of the late nineteenth century.

The noblewoman of high social extraction is portrayed half-length, wearing a soft dress in blue and pink worked fabric, with lace that runs along the neckline.

The woman is portrayed in the foreground while playing the hurdy-gurdy and has a river landscape behind her.

Note the careful rendering of the facial features, the attention to the nuances of the complexion, the sharpness of the contours underlined by the light.
