This display cabinet features stunning patinated bronze ornamentation, crafted with great precision, reflecting the craftsmanship of the time:

#### Plant motifs:

The plaque adorning the glass door features a delicately chased iris design, symbolizing beauty and purity.

The irises are rendered in a highly naturalistic manner, with petals and stems carefully worked to create a rich and harmonious visual effect.

#### Animal motifs:

The lock ornament, a frog, surprises with its subtlety.

This animal piece, inspired by the lake fauna, highlights the poetic and symbolic nature of Art Nouveau, where each detail tells a story and invites dreams.

These patinated bronzes, with their subtly aged hues, add a timeless dimension to the whole and give the display cabinet a unique aesthetic full of poetry and lightness.

#### Carved Solid Wood:

The structure of the display cabinet is made from precious exotic hardwood, carefully chosen for its strength and beauty. The wood is delicately carved, with suggestive curves reminiscent of plants and water movement, perfectly characteristic of the Art Nouveau style.

These carvings create visual fluidity that echoes the organic lines of nature and water.

#### Lower Section:

Three glazed sides provide perfect visibility from every angle.

A glass shelf to display your collectibles or decorative pieces.

#### Upper Section:

A niche with two side shelves, ideal for presenting exceptional pieces or valuable objects.

#### Condition:

This display cabinet has been restored by our specialized workshop. All elements have been carefully inspected and restored to bring it back to its original brilliance, while preserving the old patinas and respecting the integrity of its materials and style.

It is therefore in excellent condition, ready to integrate into a high-end interior.

#### Dimensions:

Height: 154 cm

Depth: 40 cm

Width: 65 cm

These dimensions allow the display cabinet to fit in various spaces, whether to display precious objects or as a decorative piece in a characterful room. Its elegant height makes it an imposing piece without being overwhelming, and its perfect proportions highlight its decoration beautifully.

#### An Exceptional Piece:

With its exquisite details and refined design, this display cabinet is more than just a piece of furniture: it is a symbol of Art Nouveau.

Its nature-inspired theme and elegant composition perfectly embody the spirit of this artistic movement, making it a work of art in its own right. It is ideal for discerning collectors or lovers of high-end interior decoration wishing to showcase their collectibles (glassware, sculptures, porcelain, or jewelry) in a display piece that will elevate a demanding interior, whether contemporary or classic.
