Description

A set of 11 professional stereoscopic plates on extra-thin gelatin silver bromide paper, published by the Société Anonyme des Plaques et Papiers Photographiques A. Lumière et ses Fils (Lyon-Monplaisir). This tourist series, dedicated to Biarritz, features lively scenes with numerous figures. Each plate has a printed caption in the center (between the two views) indicating the name of the city and the location, as well as a continuous number. Locations depicted: La Grande Plage, Le Port Vieux, Boulevard des Tamaris, Villa Belza, Port des Pêcheurs, Côte des Basques, Rocher de la Vierge, Bathers, beach scenes. Numbering: 1 to 12, with plate no. 7 missing. Size: 45 × 107 mm. Condition: very good, without scratches, losses, tears, or warping. Emulsions well preserved. The set is preserved in

its original green A. Lumière box, with printed markings: "Société anonyme des plaques et papiers photographiques A. Lumière et ses fils" and the A. Lumière typographic signature. A coherent, homogeneous series, dating from the 1920s-1930s, typical of high-quality French stereoscopic tourist production.
