

18th Century Sloping Desk, In Walnut.

1 400 EUR

Period : 18th century

Condition : Bon état

Material : Wallnut

Width : 82

Height : 102

Depth : 45

Description

Sloping desk opening with two curious side drawers and a flap fitted with metal compasses and decorated with a fleur-de-lis lock entry. This flap reveals an interior fitted with four drawers (two large and two small). It rests on four long arched legs, joined by four moving crosspieces. They end in large and beautiful sabots. Height of flap: 70cm. Regional work from the 18th century, in walnut and in good original condition.
