Description

Antique signet ring with a thick, wide frame decorated on top with a rectangular plate in smooth gold. On either side of the head, the start of the ring is decorated with a stepped decoration, made of applied platinum. Period: 20th century
Main material: yellow gold, 750 thousandths, 18 carats, eagle's head hallmark and platinum.
Proportions: Height: approximately 10.5 mm, width: approximately 11.5 mm, thickness: approximately 2.5 mm, width of the ring at the base: approximately 4.3 mm. Net weight: approximately 14.2 g. Authentic antique jewelry - French work from the 1930s. Our opinion: This antique Art Deco signet ring can remain bare or support an engraving on its thick plate: initials, coat of arms, or any other motif of your choice.
