

## Wood Marquetry Painting Signed Joseph Aufderbruck

250 EUR

Signature : Joseph AUFDERBRUCK

Period : 20th century

Condition : Très bon état

Material : Wood marquetry

### Description

Superb marquetry representing an Alsatian village crossed by a stone bridge, overlooking a river surrounded by vegetation. The background reveals half-timbered houses and a church topped with a typical bell tower, highlighting the regional identity of the scene. The meticulous work of the wood species highlights the details of the landscape, offering a wealth of textures and natural tones. Sober solid wood frame, highlighting the finesse of the work. Origin: Alsace, early 20th century Dimensions: 53 x 39 cm (excluding frame) Condition: Very good condition, with a beautiful harmony of colors and materials. A testimony to remarkable craftsmanship, ideal for lovers of Alsatian heritage and decorative art.
