

Amazing Double Cylindrical Teapot, Bronze Or Brass, Yin & Yang, Asia 20th , Signed

245 EUR

Period : 20th century

Condition : Bon état

Material : Brass

Description

Amazing cylindrical teapot, double, in bronze or brass alloy. The two parts, each composed of the same teapot, fit together perfectly following the curves, to form the Yin & Yang symbol.

Openwork handles in the mass perfectly matching the cylindrical shape, small lids decorated with the symbol, marked on the body and signature with a stamp below, to identify. A ritual or purely decorative item?

Good condition, however, significant traces of oxidation and limestone, which I did not consider necessary to indicate, we can see them clearly!

Traces of a darker patina.

Asian work, I could not be more precise, probably dating from the first part of the 20th century, maybe a little later. Certainly a late item, in my opinion, but a real curiosity! Dimensions:
