Description

This elegant living room lamp, an iconic work of Maison Rougier, embodies the refinement of 1970s-80s design. Designed by Roger Rougier, a designer renowned for his innovative creations combining modern materials and elegant shapes, this piece stands out for its beauty and originality. Features: Base: Made of brass, providing both strength and sophistication. Diffuser: Made of pearlescent acrylic resin, shaped like a seashell or flower. Once lit, this lamp creates a spectacular lighting effect. The soft light diffuses through the pearlescent resin, creating a warm and refined ambiance, perfect for enhancing any room. The unique design of the diffuser adds a decorative effect in addition to its lighting function, turning this lamp into a true work of art. Lighting: Provides a beautiful lighting effect when turned

on, emphasizing the transparency and shine of the resin. Condition: In excellent condition. It has been carefully maintained, and the electrical system is fully functional, allowing immediate and worry-free use. No major alterations to report. It retains its original shine, both in the resin and the brass base. Dimensions: Height: 70 cm Width: 40 cm Depth: 40 cm Roger Rougier, famous for his work with innovative materials like plexiglass, glass, and metal, collaborated with prestigious brands such as Airborne, Steiner, and Minvielle. His creations were featured in major international exhibitions, including the 1957 Milan Triennale and the 1958 Brussels World's Fair. His objects and furniture, like this lamp, are testament to the innovation of the 1970s, a period when design focused on experimenting with shapes and materials. Today, Rougier's works are highly sought after by collectors and design enthusiasts for their timeless elegance and originality. This lamp is an exceptional piece that will add sophistication to any interior. Treat yourself to a true masterpiece of 1970s design. Don't miss out on this rare item!
