

18k Yellow Gold Emerald Solitaire Ring Set With 0.35 Ct Natural Round Diamonds

788 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

This elegant emerald solitaire ring features a 0.25ct natural emerald. Set in 18k yellow gold, the emerald is surrounded by 2 rows of smaller 0.35ct diamonds and has a polished finish. This ring is a vintage style that is set high on the finger to create a modern and elegant look. (no hallmarks, but tested as 18k gold)
