Description

We present to you an elegant and spectacular living room lamp by the artist Walter Gerhards, a prominent figure of the German Fat Lava ceramic school. This floor lamp from the 1960s-1970s is a true functional work of art, perfectly blending design and originality. Features: Ceramic Base: The base of this lamp is made of multicolored glazed ceramic, shaped like an owl, a subtle and characterful animalistic piece. The use of multiple glazes on the ceramic creates a unique visual effect, with sumptuous and spectacular color nuances, typical of Gerhards' work. Original Shade: The lampshade is original, perfectly suited to the spirit of the piece, providing a soft and pleasant light. Some minor imperfections on the shade are noticeable, but they do not detract from the overall beauty. Dual Lighting: The lamp has

two light sources, one of which is located directly inside the owl, creating a magical lighting effect when turned on, adding a warm and intimate atmosphere to your interior. Dimensions: Height: 142 cm Width: 36 cm Depth: 36 cm Condition: In very good condition for its age, with minor signs of use, notably small defects on the lampshade. The electrical system is fully functional, ensuring worry-free use. This lamp is a rare piece that will add an artistic and vintage touch to your interior. This lamp by Walter Gerhards is a sought-after collectible item, combining aesthetics and functionality, perfect for an elegant living room or design space. A rare opportunity to acquire an original piece from the 1960s-1970s German design movement. Don't miss out on this rare item! We are specializing in premium antiques.
